

### MS "PARANGA"

|                         |  |
|-------------------------|--|
| Vessel Name             | PARANGA  |
| Type of vessel          | Container  |
| Shipyard                | ENVC - Estaleiros Navais de Viana do Castelo, S. A.  |
| Year of build           | 1994   |
| Ownership since         | 11/1994  |
| IMO No.                 | 8918435  |
| Call-Sign               | 6YR19  |
| Flag                    | Jamaica  |
| Port of Registration    | Montego Bay  |
| Class Notation Complete | + 100 A5 SOLAS-II-2, Reg. 19 General Cargo Ship Equipped for Carriage of Containers + MC E AUT |

#### Dimensions

|                               |          |
|-------------------------------|----------|
| Length overall                | 100,72 m |
| Length between perpendiculars | 93,37 m  |
| Breadth moulded               | 16,50 m  |
| Max. draught                  | 5,90 m   |

#### Register Tons

|                         |          |
|-------------------------|----------|
| GT International (1969) | 3.790 GT |
| NT International (1969) | 1.969 NT |

#### Loading Capacity

|                       |                      |
|-----------------------|----------------------|
| Deadweight            | 4.766 tdw            |
| No. of holds          | 3                    |
| Capacity of all holds | 6.634 m <sup>3</sup> |

#### Max. Deckload

|            |                         |
|------------|-------------------------|
| Tanktop    | 12,00 mt/m <sup>2</sup> |
| Hatchcover | 1,75 mt/m <sup>2</sup>  |

#### Containercapacity

|                          |         |
|--------------------------|---------|
| Containercapacity total  | 395 TEU |
| Containercapacity deck   | 268 TEU |
| Containercapacity hold   | 127 TEU |
| Homogenous load at 14 mt | 230 TEU |
| No. Reefer sockets       | 60      |
| Stackweight Hold 20`     | 72 mt   |

|                        |                                    |                             |
|------------------------|------------------------------------|-----------------------------|
|                        | Stackweight Hatch 20`              | 40 mt                       |
|                        | Stackweight Hold 40`               | 90 mt                       |
|                        | Stackweight Hatch 40`              | 60 mt                       |
| <b>Speed</b>           |                                    |                             |
|                        | Speed max.                         | 14,0 kn                     |
| <b>Bunker Capacity</b> |                                    |                             |
|                        | Capacity IFO tanks                 | 298 m³                      |
|                        | Capacity MDO tanks                 | 90 m³                       |
| <b>Engines</b>         |                                    |                             |
|                        | Main engine (Number)               | 1                           |
|                        | Manufacturer                       | Krupp MAK Maschinenbau GmbH |
|                        | Type                               | 9M453C                      |
|                        | Total Power Main Engine            | 3.300 kW                    |
|                        | Auxiliary Engine                   | 2                           |
|                        | Total elec. Power Aux. Engine      | 600 kVA                     |
|                        | Elec. Emergency Generator          | 300 kVA                     |
|                        | Shaft Generators                   | 1                           |
|                        | Total elec. Power Shaft Generators | 875 kVA                     |
|                        | Bow Thrusters                      | 1                           |
|                        | Total Power Bow Thrusters          | 350 kW                      |
